

Your customer is also our customer

Become a flawa iQ partner now and benefit!

Are you a training provider and expert in first aid? Have we been able to convince you of the new generation of emergency kits? Would you also like to offer your customers added value in the future and present this revolutionary system? Then we would be delighted to make you an attractive offer as part of our partner programme.

flawa iQ training case

- flawa iQ demo case (not suitable for serious use)
- Set of all flawa iQ injury modules filled in transparent sample bags
- Access to various flawa iQ training materials in electronic form

Your benefit

- Attractive brokerage fee per suitcase
- Presentation as a partner, incl. short portrait on <https://www.flawa-iq.ch/en/partner-2/>

Example from practice

Find out here, using VAT Vakuumentile AG as an example, how HSE manager Stephan Berger was able to optimise his everyday work with flawa iQ and, thanks to flawa iQ, has the certainty that he has fulfilled his duty of care towards employees with regard to health protection requirements at the workplace in the best possible way.
